# AYP Five-Year Achievement Gap Analysis

# 2011

The Gap Analysis report shows the AYP gap between student subgroups over a 5 year period. This allows schools and districts to quickly see the reality of their achievement gap and analyze the achievement gap trends.

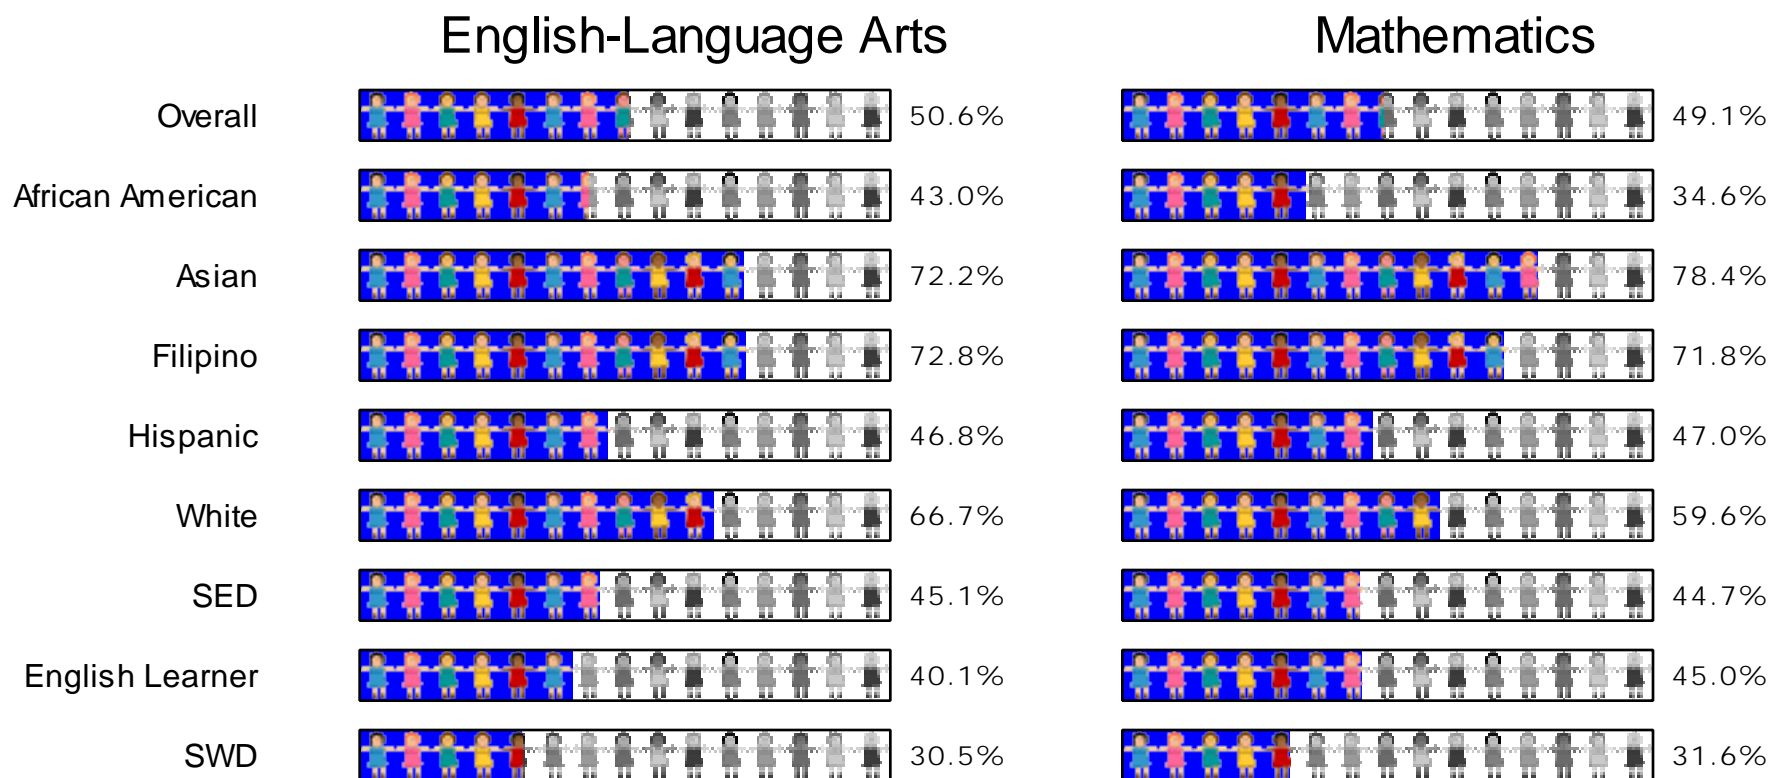

# STAR 2011 Demographics

		#	%
	African American	1847	11.34 %
	American Indian	52	0.32 %
	Asian	555	3.41 %
	Filipino	315	1.93 %
	Hispanic	11187	68.67 %
	Hawaiian/Pac. Isl.	87	0.53 %
	White	2022	12.41 %
	Declined To State	227	1.39 %
	Overall	16292	100.00 %

Subgroupsthat make up 5% or less of the population have been combined and are displayed as "Other."

# AYP 2011 Proficiency By Subgroup

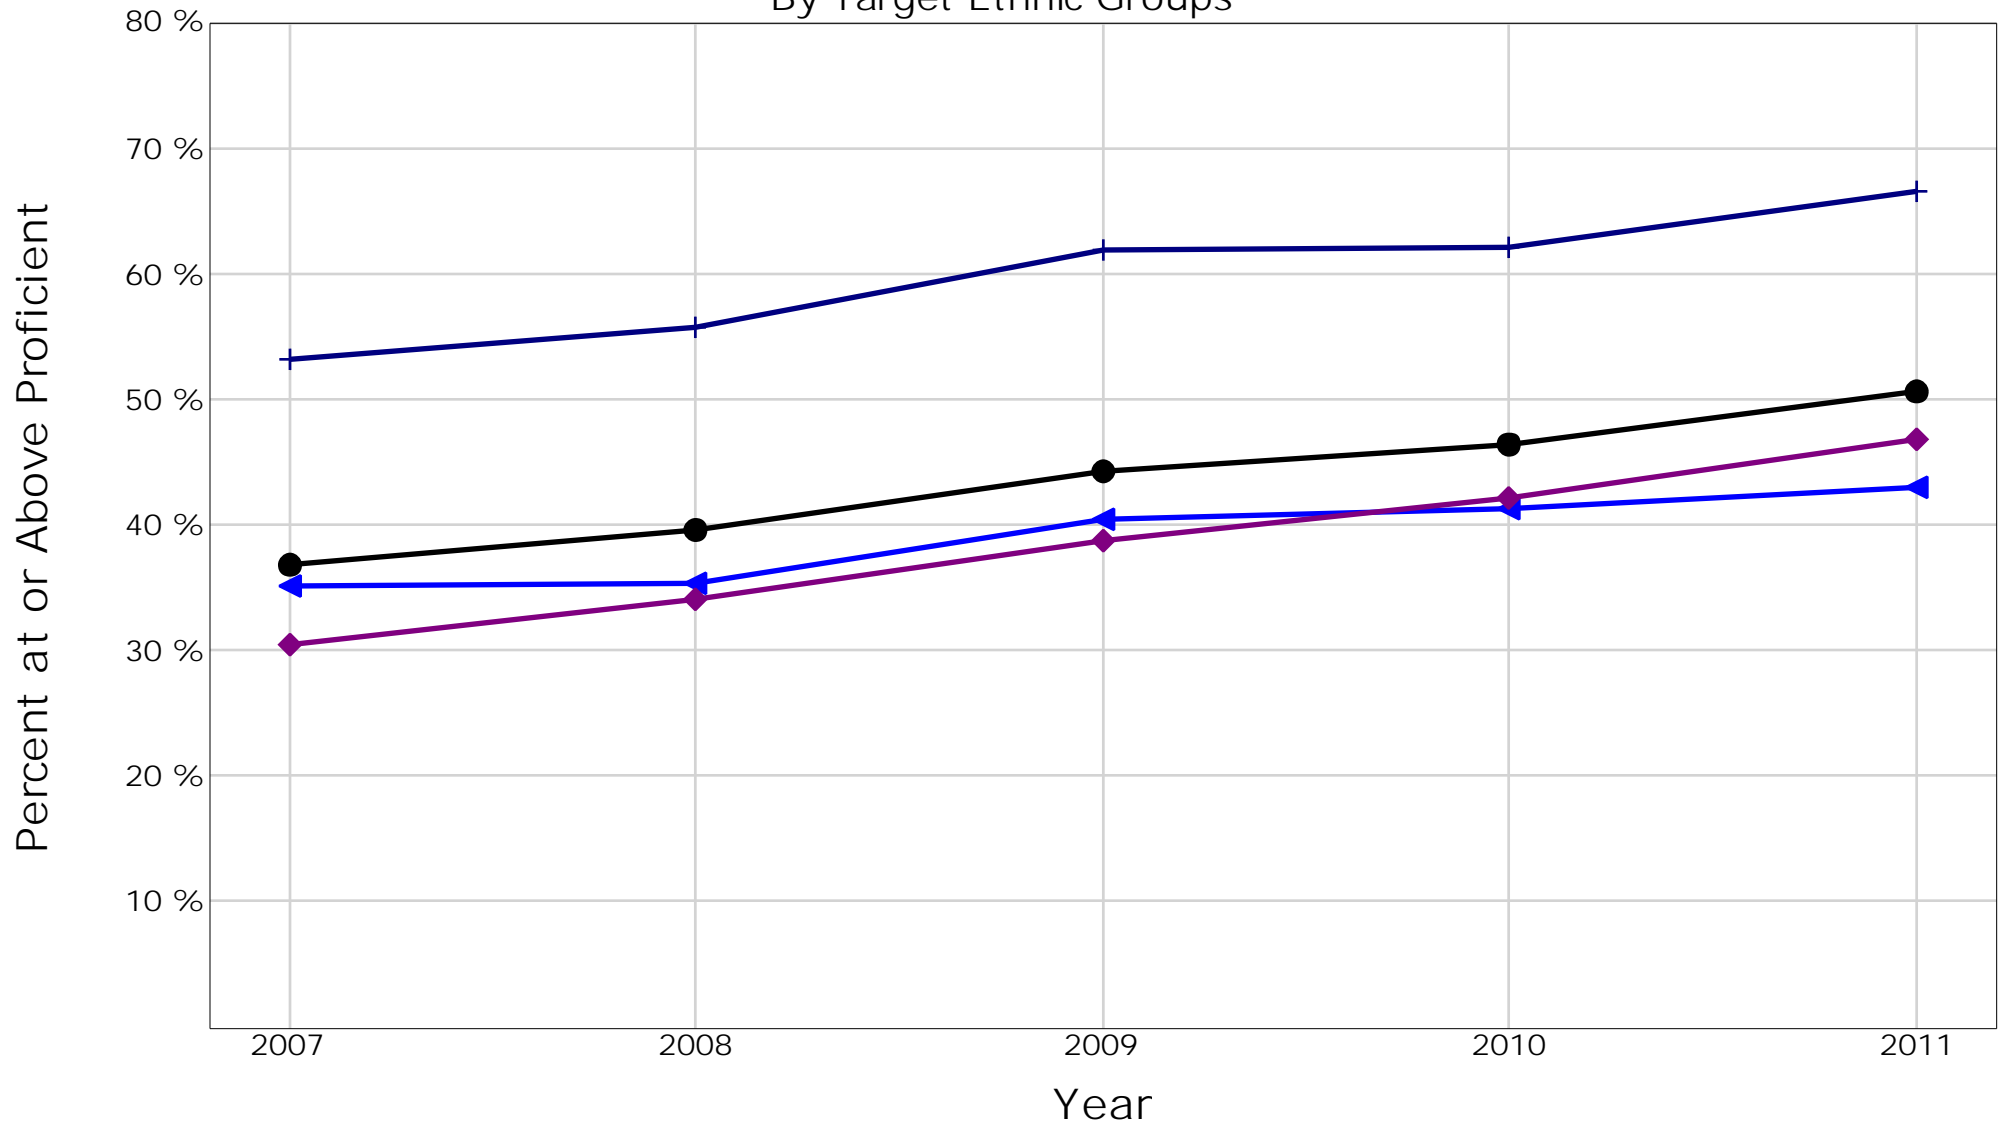

All ethnic groups displayed are numerically significant. SED, English Learner, and SWD subgroups are displayed in cases where there are more than 10 valid scores, thus they may not be numerically significant. Please use caution when drawing conclusions about subgroups that are not numerically significant.

Subgroups that are not numerically significant are displayed with a gray bar.
